

SAN FRANCISCO CHAMBER ORCHESTRA

Mr. Lance Wiseman
220 Barker Road
Wyncote, Pennsylvania 19095

Dear Lance:

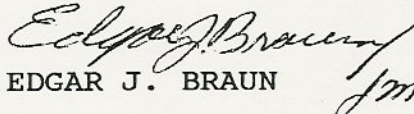

CONGRATULATIONS--your two performances with the San Francisco Chamber Orchestra this last week of the Mozart Piano Concerto #17 were both outstanding! When our audiences call back an artist for three curtain calls and an encore is requested (and very, very unusual in these parts), then you know that the soloist has been a success.

You have a very musical touch, are sensitive, and sensitive to the nuances between soloist, conductor and the Orchestra, and besides that you are very easy to work with.

We do not usually invite a soloist back within one year of the first appearance. Since you were so unanimously praised by members of our Board and others, we hope that we can arrange to invite you again for August of 2000.

It was a pleasure to make your acquaintance and to work with you. We will be in touch.

Kindest regards,

EDGAR J. BRAUN *jm*
